CHESS AND ITS PLAYERS

Messrs. Farquhar and Johnson will play a match of ten games at checker at the Lakewood Club, corner of N street and New Jersey avenue northwest, on Friday evening. Next to Mundell, they are probably the two best players in the District. The public is invited to witness the match.

The remaining members of the cable match have not been selected, but the indications point to the selection of the District champion, F. B. Walker, as one of the team, or as one of the two substitutes. The local club has not heard anything further from the Brooklyn club in regard to the matter, but the Brooklyn Eagle of last Sunday contained a reproduction of his photograph and a sketch of his chess career, and stated that he will probably play the cable chess match.

Mr. Walker is a native of New York state, but spent most of his life in Cleveland, Ohio, where he learned to play chess and became a master. He came to Washington in 1885, but took no part in chess until the Libby cup tourneys were started here in the beginning of 1887. Mr. Walker finished close behind Wright and Hanna, who tied for first place in three successive tourneys. Two years ago he won second prize in the individual tourney, and last year he won the Washington club championship. He has won two matches from Mr. Gwyer by 5 to 0 and 6 to 0, and he won the District championship from Mr. Wright by default, the score being 5 to 4 in favor of Mr. Wright, and he has scored 6 wins to 2 for Mr. Wright in the Grand Tactics Chess Club. He has never lost a game in a simultaneous exhibition given by a master, having won games from Capt. Mackenzie, Zukertort, Gossip, Holmes and Sharkey, and others.

The other candidates prominently mentioned for a place on the team are as follows: Walter Penn Shipley of Philadelphia, who is rated as one of the best players in the country, and who undoubtedly is selected; Sidney P. Johnston of Chicago, who was on the reserve list for the American tourney in 1886, and whose prospects for a place are very good; Franklin K. Young of Boston, author of "Minor Tactics of Chess," and who is rated as one of the best players in the country; and others.

The Pennsylvania State Chess Association will have a one-day championship tourney in connection with its eighth birthday, and the New York State Association will hold a similar tourney at New York city the same day, but so far no word has been received from either.

One of the latest chess books published is entitled "The Rice Gambit," which is a modification of the Kiewitzky Gambit, white giving up a piece for 1P-K4, 2P-K4, 3P-K4, 4P-K4, 5P-K4, 6P-K4, 7P-K4,
